## STANDARDIZED PRE-CONTRACTUAL FORM INTEREST ONLY MORTGAGE LOAN

Parameters	Terms and conditions		
Presenting text	This document is not a legally binding offer. The figures are given in good faith and are an accurate statement of the offer that the bank will make under the current terms of the market, based on the information provided. However, these figures may fluctuate according to market conditions. The provision of information is not obligatory to grant the loan.		
Name and bank contact details	<b>BANKA KOMBETARE TREGTARE (BKT) SH.A</b> Address: "Rruga Vilave", Lundër 1, Tiranë Phone Number: 042 266 288 Web Address: <a href="http://www.bkt.com.al">www.bkt.com.al</a> Email: <a href="mailto:info@bkt.com.al">info@bkt.com.al</a>		
Product Purpose	Mortgage loans are used to fulfill the personal needs of the individuals, to buy, construct or improve a home. From this product can profit not only individuals but the self-employed professional as well (doctors, dentist, pharmacist, lawyers etc) who want to buy or build their own work premises or individuals who generate income from employment and who want to buy a unit for investment purposes (rental).		
Product Description	This product is used for the purpose described in Section 3, titled "Product Purpose," where the bank will require a mortgage on immovable property as collateral. The mortgage items are irreplaceable assets, such as buildings and anything that is permanently and continuously attached to the building.		
	The property to be mortgaged may differ from the object of the loan. The valuation report of the immovable property is carried out by independent appraisers authorized by the bank, and this cost is covered by the applicant.		
	The loan repayment method is a combination of interest-only payments for the first few years of the loan plus the amortization method (principal + interest). During the initial years of the loan up to 7 years, depending on the interest-only period chosen by the client, the client will pay only interest. During the amortization period, the client will pay equal monthly installments (principal + interest) according to the repayment schedule and not as a lump sum at the end of the maturity period.		
Financing Criteria  (the lowest value between investment and collateral value)	To qualify for this product, the client must have a minimum rating of B or higher.		
		Financing Criteria	LTV
		(Loan Amount/ Investment Value):	(Loan Amount/OMV)
	Home Loan/House Construction Loan	• Up to 80%	• Up to 80%
	Shop Loan/Shop Construction Loan	• Up to 80%	• Up to 75%
For collateral type <b>Agricultural Land</b> , the Loan to Value Criteria cannot be higher than <b>50%</b> .

<b>Home Loan/House Construction Loan</b>  (indicates the type of interest and the duration of the specified period)	<b>Customer Category</b>		<b>Interest Rate according to category</b>	
	<b>Salary Paid Customers in BKT</b>		<b>4% fixed for the first year then 1Y T-Bill +2% not less than 4%</b> <i>(changing each 12 months)</i>	
	<b>Other Customers</b>		<b>4.5% fixed for the first year then 1Y T-Bill +2.5% not less than 4.5%</b> <i>(changing each 12 months)</i>	
<b>Shop Loan/Shop Construction Loan</b>  (indicates the type of interest and the duration of the specified period)	<b>Customer Category</b>		<b>Interest Rate according to category</b>	
	<b>Salary Paid Customers in BKT</b>		<b>4.5% fixed for the first year then 1Y T-Bill +2.5% not less than 4.5%</b> <i>(changing each 12 months)</i>	
	<b>Other Customers</b>		<b>5% fixed for the first year then 1Y T-Bill +3% not less than 5%</b> <i>(changing each 12 months)</i>	
Interest Rate if the customer chooses not to pay for life insurance	<b>Interest Rate: Example BKT Salary Paid Category (Eur currency)</b>		<b>If the customer is up to 45 years old, IR will be 0.5% higher:</b>	<b>If the customer is over 45 years old, IR will be 1% higher:</b>
	<b>4% fixed for the first year than 1 Year T-Bill +2% not less than 4%</b> <i>(changing each 12 months)</i>		<b>4.5% fixed for the first year than 1 Year T-Bill +2.5% not less than 4.5%</b> <i>(changing each 12 months)</i>	<b>5% fixed for the first year than 1 Year T-Bill +3% not less than 5%</b> <i>(changing each 12 months)</i>
	<i>In this way is applied the interest rate also for the other category of the customers mentionet above.</i>			
Effective Interest Rate	<b>The effective interest rate (EI)</b> expresses the total cost of the loan including interest, commissions and any other type of expenses that the borrower pays in connection with the loan agreement within the terms of this loan agreement. For the purposes of calculating the NEI, the total cost of the loan does not include expenses that are not recognized on the date of the calculation of the NEI, expenses payable by the borrower of obligations for non-implementation of the conditions provided for in this contract, costs payable by the customer in connection with the agreement of credit to other persons (for example, a notary, tax authority, mortgage register) and any expenses generally incurred for registration and guarantees; expenses for insurance and/or non-binding guarantees, expenses for commissions applied to unused funds and expenses for commissions for changing contractual conditions. NEI will be calculated with the assumption that: <ul style="list-style-type: none"> <li>- the loan contract is valid for the agreed period, and</li> <li>- the parties fulfill their obligations, according to the terms and date agreed in this loan contract, and</li> <li>- the percentage of interest and other expenses that are included in the calculation of EIR remain unchanged (fixed) until the end of the loan contract.</li> </ul>			
Loan Amount and currency	<b>Minimum:</b> 500,000 ALL <b>Maximum:</b> 50,000,000 ALL <b>Currency:</b> ALL			
Loan Term	<b>Maximum :</b> Up to 25 Years

Interest Only Period	Loan Maturity													
3 years	Min 11 years - Max 25 years													
4 years	Min 14 years - Max 25 years													
5 years	Min 18 years - Max 25 years													
6 years	Min 21 years - Max 25 years													
7 years	Only 25 years													
The loan is in a different currency than the one in which the consumer generates the income	<input type="checkbox"/> The loan is in a currency different from the customer's income.  <input type="checkbox"/> The loan is in a currency same as the customer's income;													
The value of the loan installment, expressed in the currency in which the consumer generates income, may change.	<p>The bank will notify the customer in cases where, as a result of the exchange rate change, the loan installment will increase by 20% of the counter value of the installment that would result if the exchange rate between the loan currency and the currency in it were applied which the customer generates income, on the date of signing the contract. The client is given the option of converting the loan into the currency that generates income. The request for conversion will be subject to evaluation by the Bank in accordance with the financial documentation that the Borrower will submit at the time of submission of the written request and, if the lending conditions are met, the conversion will be carried out at the Bank's official exchange rate on the day that the conversion is performed.</p>													
Opening and Closing the Loan	<p>-As a condition for approving the loan, the Borrower will open one or more current accounts with the BKT, called the "loan account", in which the Bank will disburse funds and through which the loan will be repaid .</p> <p>- Loan withdrawal will be done in one of the following ways: by cash withdrawal, by electronic withdrawal, by a check issued by the customer to the bank, by payment order issued with writing in favor of third parties.</p> <p>- When, during the disbursement, the Bank finds that the Borrower has exceeded the conditions provided for in the Credit Contract signed by the parties, the Bank has the right to request the termination of this contract, which will be accompanied by the return of the amounts used until that moment and the corresponding interest.</p> <p>- The disbursement of funds for the purchase of a house/shop will be made to the client's account and then transferred to the notary's asset disposal account or to the selling party's account</p> <p>- - The disbursement of funds for house/shop construction will be made to the client's account. The amount of the loan in this case will be disbursed with a minimum of 2 parts, which depends on the amount of the applied loan.</p>													
Number and payment frequency	<p>The loan will be repaid in monthly installments, of which for the period up to 7 years the client will pay only the loan interest, and after the end of this period, the loan will be repaid in equal monthly installments. The number of installments varies according to the maturity term</p>													
The value of each mortgage repayment installment	<p><u>Interest Only repayment period:</u>          Monthly Instalment= Sum of interests  <u>Loan period after the end of the interest-only payment period:</u>          Monthly Installment = Amount of Principal + Amount of Interest</p>													
Loan amortization table (repayment plan)	<p><i>The frequency of revision of the base interest rate in this case Treasury Bond is every 12 months, so in any case the revision of the interest rate for each customer will be done in the 12th installment of the following year until the end of the loan maturity.</i></p>
