 $<sup>^1</sup>$  CFL- Compact Fluorescent lamp  $^2$  T5 lamp - Linear fluorescent lamps with a diameter of 5 1/8ths of an inch (approximately 16mm)  $^3$  Solar panels that convert sunlight into electricity

	<b>Other Customers:</b> Spouse and one surety acceptable by the bank (credit customer is preferable). Two sureties in case other status than married. In any case two sureties shall be required.
6. Interest rate (shows interest rate type and duration of the defined period)	<ul> <li>I. <u>Collateralized loans:</u> ALL T-Bill 1Y +2.2% (not less than 4.5%, after the 24<sup>th</sup> installment). Or 3.5% for the first 24 months, then T-Bill + 2.5% (not less than 4.5% after the 24<sup>th</sup> installment) Euro: Eurois: For all products mentioned above, the customers may choose either to have a life insurance or to accept a higher interest rate. In case the customer chooses not to have a life insurance, options are: - If the customer is up to 45 years old, interest rate of the loan will be 0.5% higher than the interest rate applied to respective category If the customer is over 45 years old, interest rate of the loan will be 1% higher than the interest rate applied to respective category. E.g.the interest rate applied to respectively to: T-bill 1y +2.7% (not less than 5.5%, after the 24<sup>th</sup> installment) or T. bill 1y +3.2% (not less than 5.5%, after the 24<sup>th</sup> installment) I. Non-Collateralized loans Salary, rent in BKT/Self Employed professionals: 5.5% for the first 12 months, then T-Bill + 8% (not less than 10%) Other: Other: Other: Dust is changeable according to the change of 1-year T-Bills every 12 months of the loan. The applicant will be informed via phone calls, email or mail for any amendments or changes on loan terms and conditions.</li></ul>
7. Effective interest rate	<b>The effective interest rate (EIR)</b> defines the total cost of the loan including interests, commissions and any other expenses that the customer will afford for the loan according to the conditions mentioned in loan agreement. In order to calculate EIR, in the total expenses amount are not included expenses that are unknown at the moment of EIR calculation, dues to be paid from the customer for not fulfilling the Loan Agreement conditions, expenses to be paid from the customer to third parties (for ex. Notary fees, Real Estate Registration Office fees, Pledge Register fees, based on specific documents) and any other general expenses raised for the registration and guarantees, expenses for the insurances and / or guarantees that are not obligatory, expenses from the commissions

	applied on the unused loop amount and	d evenences from the commission applied		
	applied on the unused loan amount and expenses from the commission applied for change of the contractual conditions.			
	The EIR will be calculated assuming that:			
	- The Loan Agreement is valid for the set maturity			
		o the conditions and dates agreed in the		
	Loan Agreement and			
		r expenses included in the EIR calculation		
	remain unchanged until the end of th	e Loan Agreement.		
	The customer will be informed on the approximate value of EIR at the application moment and also on the exact value of EIR at the loan disbursement (with the Payment Plan Annex).			
		t will be furnished with the Payment Plan		
		ntage the Effective Interest Rate (EIR),

	application costs. These costs disbursement date. The expe	s are inevitable and mandator nses of mortgage, notarization be paid only at start; meanwh	nsidered as post approval loan y for the applicant before the n of the loan contract and the nile the prime of life insurance,
	I. <u>Collateralized loans</u>		on (not loss that the
		repayments, partial liquidati	
	,	Iment) or total liquidation o	
16. Prepayment (if		e accrued interests plus 1 (o	
applicable)		nistrative cost of 2 (two) %	
		e early repayment is done n	
		ne) % over the principal am	
	case the early repayment is	s done during the last year o	or the loan.
	II. <u>Non-Collateralized l</u>	<u>oans</u>	

	The Bank will accept early repayments, partial liquidation (not less than the amount of 1 monthly installment) or total liquidation on the condition that the Borrower should pay all the accrued interests plus 1 (one) day interest, as well as the value of an extra administrative cost of 1 (one) % over the principal amount paid in advance, in case the early repayment is done more than 1 year prior to the maturity date and 0.5 (zero point five) % over the principal amount paid in advance, in case the early repayment is done during the last year of the loan, if the early repayment is done during the period that fixed interest is applied.
	In cases the early repayment is done during the period that floating interest rate is applied, the Bank will accept early repayments on the condition that the Borrower should pay all the accrued interests plus 1 (one) day interest.
17. Formal notifications between parties	All the notifications, communications between parties will be done in a written form and submitted direct to the customer or sent by priority mail at address specified on the Loan Agreement, or whenever it is possible through a consistent communication mean (e-mail specified on the Loan Agreement, floppy disc, CD- ROM, DVD, mail box) The Borrower declares and agrees that all the notifications sent to the specified addresses will be considered received from him/her. The Borrower may submit his/her complains to the Bank regarding the received notifications within a period of 15 calendar days. The Borrower is obliged to notify the Bank for any changes in his/her addresses within 15 calendar days of the change. As long as he/her has not given notice on the new address, the Borrower does not have the right to deny the notifications sent to the previous address.
18. Right to withdraw from the Loan Agreement	I. <u>Collateralized loans:</u> Borrower has the right to withdraw from the loan agreement within 7 days. This period starts from the date when the loan agreement is signed. In cases when the loan amount is disbursed in the customer's account and the latter exercises his right to withdraw from the loan agreement, then the borrower accepts and commits to repay the principal and all due amounts for interests and/or penalties, as well as other possible expenses of the bank created with third parties with the aim of disbursing the funds. If the Borrower withdraw from the Loan agreement, the Co-Borrower and the Surety will as well withdraw from the Loan Agreement or will withdraw the guarantees offered for the Agreement execution. II. Non-Collateralized loans Borrower has the right to withdraw from the loan agreement is signed. In cases when the loan amount is disbursed in the customer's account and the latter exercises his right to withdraw from the loan agreement is signed. In cases when the loan amount is disbursed in the customer's account and the latter exercises his right to withdraw from the loan agreement, then the borrower accepts and commits to repay the principal and all due amounts for interests and/or penalties, as well as other possible expenses of the bank created with third parties with the aim of disbursing the funds. If the Borrower withdraws from the Loan agreement, the co-Borrower and the Surety will as well withdraws from the Loan agreement, the co-Borrower and the Surety will as well withdraws from the Loan agreement, the Co-Borrower and the Surety will as well withdraws from the Loan agreement, the co-Borrower and the Surety will as well withdraw from the Loan agreement, the Co-Borrower and the Surety will as well withdraw from the Loan Agreement or will withdraw the guarantees offered for the Agreement execution.
19. Claiming forms	<ul> <li>Written letter near any branch</li> <li>Visits near every branch</li> <li>Via telephone (+355 42 266 288) call center</li> <li>Through electronic mail: <u>info@bkt.com.al</u></li> </ul>
20. Other Penalties	- If the bank finds that the customer has not used the loan for the stated purpose it may ask for the total liquidation of the outstanding loan amount and

	accumulated interests or otherwise if it finds appropriate it can apply a		
	commission of 1% over the disbursed loan amount.		
	- If the borrower fails to pay commission and interest, the bank has the right to		
	charge a commission of 4 (four) % in ALL on monthly basis over the unpaid		
	commissions and interest amounts.		
	- If the borrower cannot pay in time the matured installment (interest or		
	principal), the Bank apart of the normal interest rate, has the right to apply a		
	penalty of 4 (four) % in ALL on monthly basis, calculated on the unpaid due		
	installment (inters + principal) for the period in which he is in delay, based on		
	terms and conditions of this contract.		
	Penalty Calculation:		
	Due Amount x Penalty Rate% x 12 months/ 360 days x days in arrears		
21. Validity Period	The Period of Validity of the Pre-Contractual Information is 7 (seven) calendar		
of Pre-Contractual	days starting from the date that the customer has signed this form.
